Dear Diary,

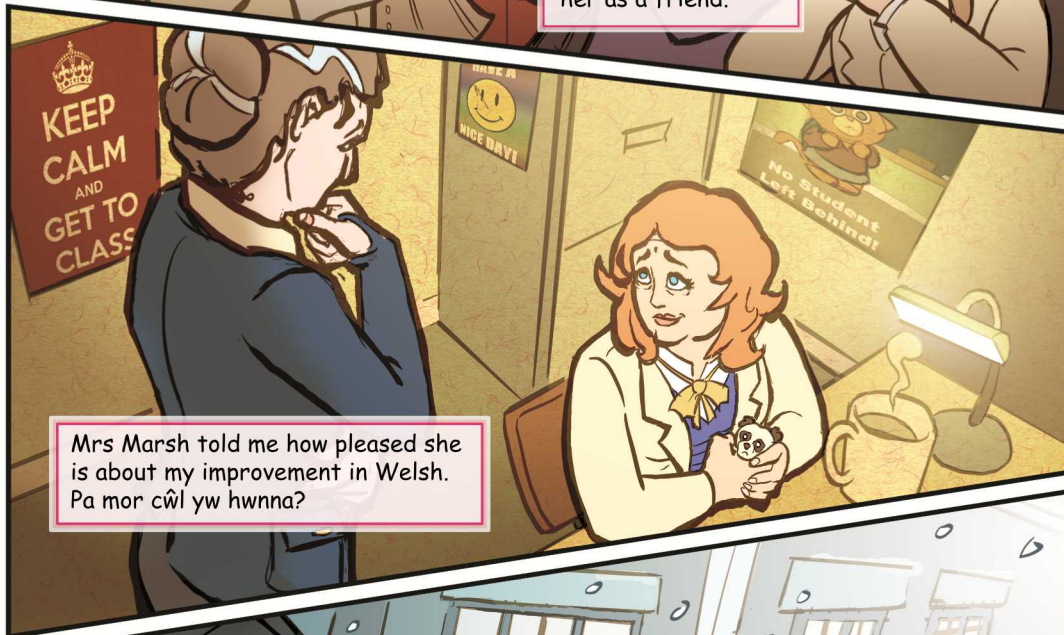

Just a perfect day!

Chloe gave me a big hug in front of everyone.

I'm so lucky to have her as a friend.

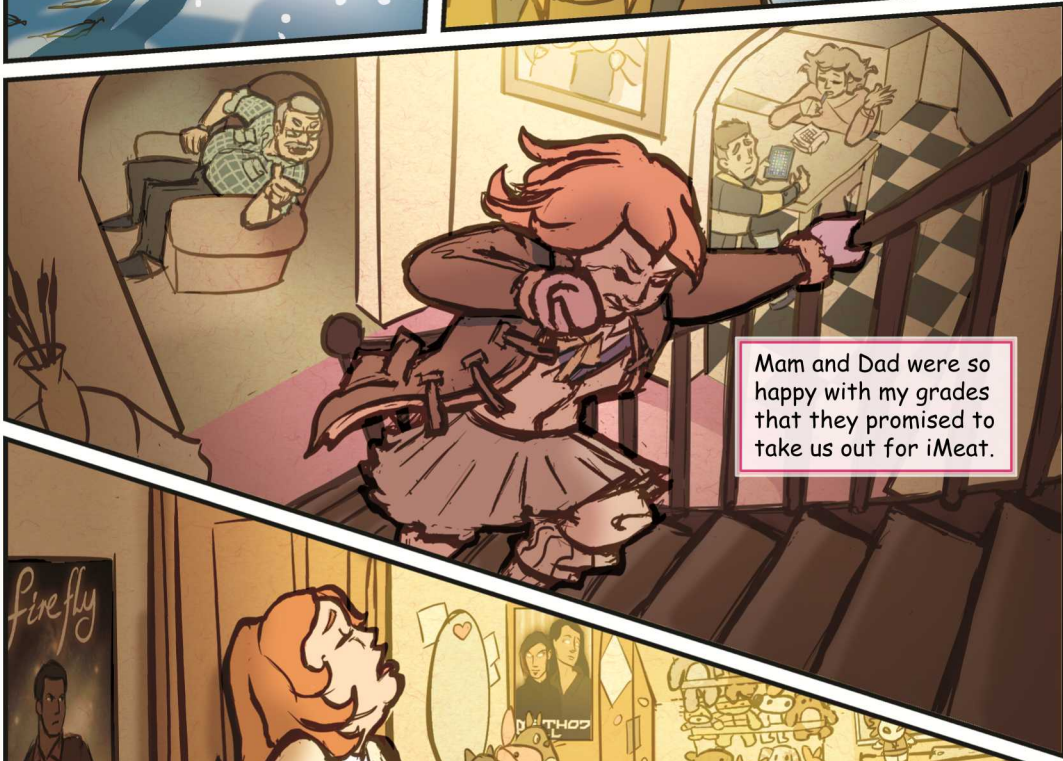

Mrs Marsh told me how pleased she is about my improvement in Welsh. Pa mor cŵl yw hwnna?

Davey Thomas came up to me after school and said he thought my hair was looking lush!

After a long day, it's always nice to come home.

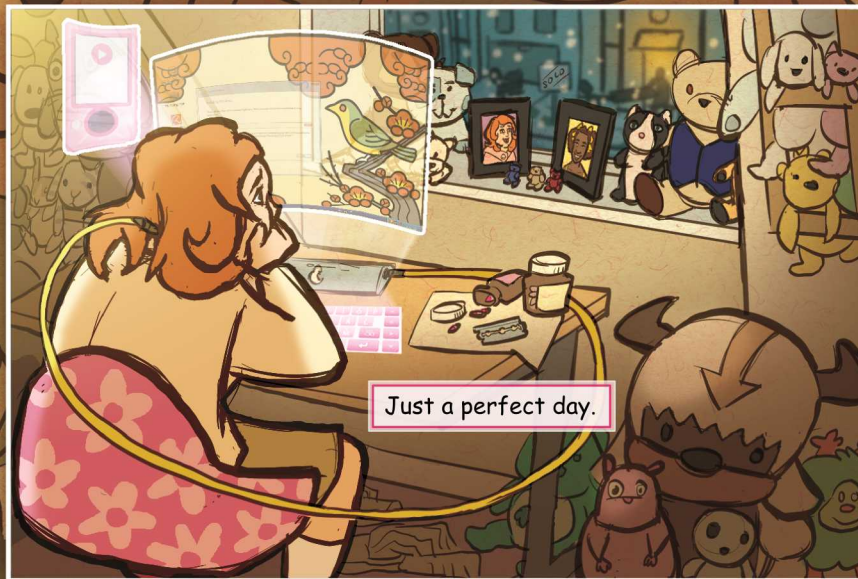

Mam and Dad were so happy with my grades that they promised to take us out for iMeat.

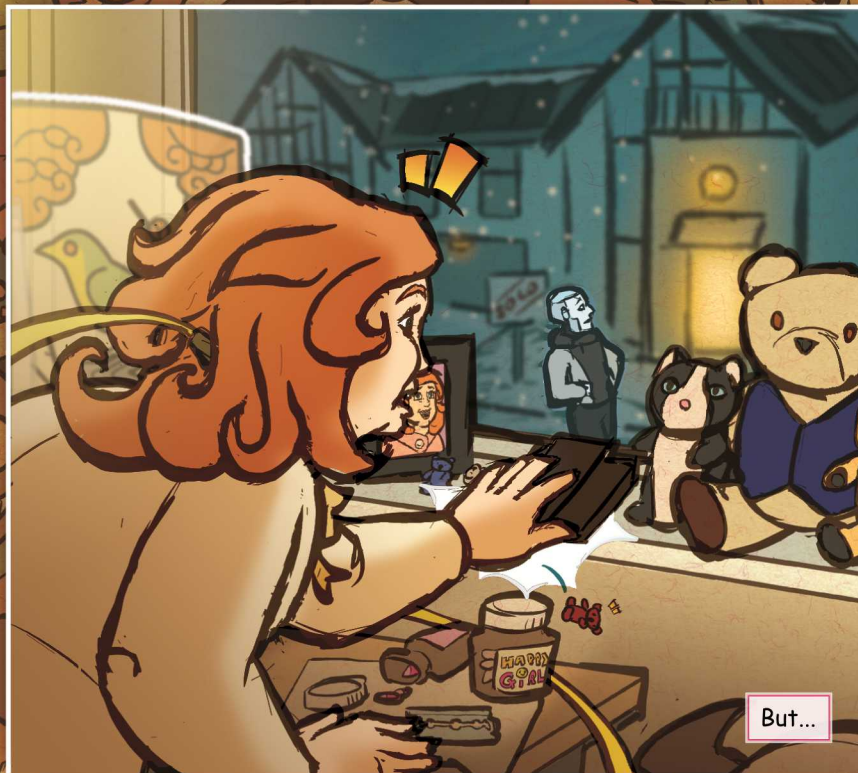

In the evening, I had a great night out.

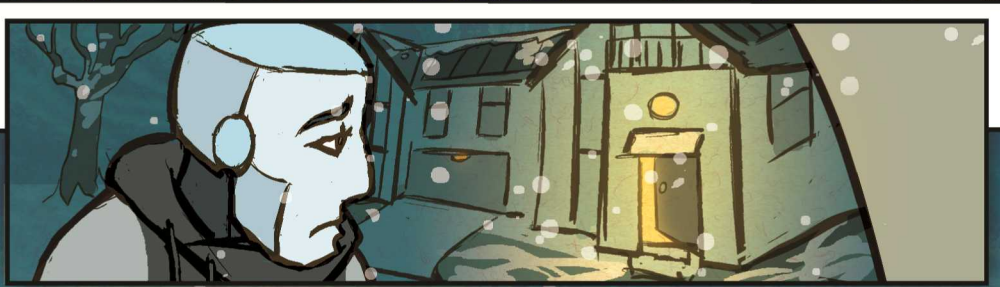

All my friends were there.

Just a perfect day.

But...

...I want a better tomorrow.
